# **CORRECTIONAL FOOD MANAGER II (DEPARTMENT OF CORRECTIONS) INFORMATION GATHERING**

## **Information Sources**

The initial list of tasks and knowledges, skills and abilities statements were identified after conducting a literature review which consisted of:

- Review of the Job Analysis conducted in September 2003
- Review of current State Personnel Board classification specification (Attachment C)
- Review of the Job Audit Survey results, mailed out to all incumbents on 9/25/07 (Attachment A). A total of 8 (61.54%) job audits were returned for Correctional Food Manager II, (DCO)

## **Job Audit Survey Background**

The Office of Personnel Services conducted a survey (Attachment A) to identify all tasks performed by Correctional Food Manager II, (DCO) working in the various adult institutions within CDCR. Surveys were mailed to all incumbents appointed to the Correctional Food Manager II, (DCO) classification. All returned surveys were reviewed and a task listing was developed based on the information provided. The task listing was then compared to the existing Job Analysis. Tasks that had been identified on the previous job analysis were coded with the corresponding task number. New tasks or tasks that had not been identified on the previous job analysis were added and coded with a new task number (Attachment B). Full task statements were developed by the Subject Matter Experts listed in the job analysis background.

When reviewing the Edited List of Tasks a dividing line was added to help distinguish tasks identified by the job audit survey versus tasks identified as a result of the previous job analysis: "The following tasks were identified from the statewide food service survey."
